## Customer Reviews

it would have been great if this was included in the CEB bibles. Not sure if it is exhaustive, but very helpful. It's small size (smaller than the CEB bibles I have) makes it easy for toting around. With the ability to search the CEB online or via electronic tools (i.e. Logos or Olivetree), not sure how useful printed concordances are, but I still have it and utilize it periodically.

The book is very helpful to me in my Discipleship Ministry's studies. Very understandable. This is a great book and just right for me. I will continue to purchase your books. I loved it. Thank you again.
