## Customer Reviews

Finally the devotional I was looking for! I have not been able to find a devotional, because I am don't usually enjoy the ones with personal testimony or an explanation of scripture. This book is actually a lesson in "how to pray" and allows me to build my own devotional daily in conversation with our Lord. It's laid out in a 4-step process for each day and that provides a valuable structure for those of us who seem to keep saying the same thing each day. I have used it daily for weeks and not yet been tired of it. Highly recommended for the new Christian.

I find it very important to begin the day in the proper frame of mind, and the author's approach of centering my prayers in God's own words rather than my own ramblings have a unique effect. I find my mind is stilled and my heart comforted when I read and pray these passages. My day begins fresh with my mind above my own circumstances. I've tried many prayer resources, but I find Kenneth Boa's the best for leading me to the mind of God.

This is a great book for anyone who is interested in a daily conversation with God. It's easy to read and will increase your knowledge regarding verses in the Bible. The writers of this book did an excellent job in the layout and detail. This book is superb, and I strongly recommend it for everyone.

Boa has broken down the ability to learn how to Meditate on God's holy scriptures so easily. His series are just wonderful. He keeps every eye on the Holy Scriptures and moves you to Love God and get face to face with Him praying back His word and then to encourage you to do it with others and take notice of current affairs and others in prayer. He was the first person I read on Lectio Divina and getting familiar with in depth meditation and contemplation. Boa and Foster both are GREAT writers and I would highly recommend this little book to take with you through out the day and stop and love the Father with this book.

If you have difficulty thinking of what to do in your quiet time, try this book. It is based on Scripture and helps you meditate on God's Word and give guidance on how to pray. It increases faith to know that you have set your mind on God and brought His power to your life and those for whom you pray.

This is a book of daily devotions designed for the times. One page for each of 365 days presents excerpts from Scripture and leads the reader into prayerful thoughts. It is authentic and Biblically based, making its appeal universal to all Christians. Instead of wading through pages, a brief but valuable exercise of meditating on selected passage guides the reader's mind without complexity. It has been very meaningful to me.

I use this book in my daily devotions as a means of focusing my thoughts and adding direction and Biblical basis to my prayer life. It gives you a topic and then four ways of application to your life, in the forms of thanks, study, request, etc..
