Red Rose Bouquet: A Contemporary Christian Novel (Grace Revealed Book 2)

Synopsis

The dark places in life have taught her this muchâsome things simply cannot be forgiven. Cheryl Thompson learned over a decade ago to guard her shattered heart with a veil of cold indifference. Life since that day has been an endless cycle of detachment and loneliness, followed by superficial relationships. Break up, rinse, and repeat. Until something in her snaps. This lifeâshe can't do it anymore. She returns to her childhood home in the Colorado Rockies to help her nana, only to discover a man capable of thawing her iced-over emotionsâa man she knows she doesn't deserve, so she pushes him away. But he keeps coming back. Brock Kelly lived high as King of the Slopes in the world of snowboard cross racing. Medals. Money. Fame. But after a visit to an orphanage in Mexico, he gave up his adrenaline-packed lifestyle to follow a calling from God he didn't know he hadâhelping kids who'd been damaged emotionally. When his best friend's baby sister returns to town, he recognizes the hollow look in her eyes and sees the pain beneath her icy armor. It seems God has issued new call on his life. One he is not prepared for. Falling in love with a woman who keeps secrets is dangerous all on its own. But when Cheryl finally tells Brock what she's never told anyone else...no wonder she is the way she is. It would take a miracle to heal that wound, and a love bigger than Brock had ever imagined to walk with her through the process.

Customer Reviews

Sometimes you read a book that is so powerful you have a hard time wrapping your mind around how to craft a good review, a review that will do it justice. This was such a book. It was recommended to me by an author and I bought it. Now I recommend it highly to anyone. Cheryl Thompson has lived with guilt and pain of the most horrible sort for over a decade and she is certain that she absolutely cannot be forgiven. The holy cannot be in the presence of such sin as hers. She has filled her life with such things that defy description just to try and get this unending guilt out of her heart and mind. Nothing she does works. Then her brother calls her back to their hometown in Colorado to help with their grandmother, who has dementia. She tries not to go, doesn't want to go, but goes anyway. Cheryl is barely functioning, suffering blinding migraines and horrific nightmares that refuse to leave her alone. Brock Kelly, former snowboarder and friend of her brother, notices Cheryl and hears a small voice from God telling him to love her. But how can anyone love a woman that closes herself off to everyone and has a demeanor that drives all away from her? This is a novel of forgiveness, grace, and redemption. The power of God to redeem that which seems unredeemable is so amazing here. I find it very difficult to put into words what I am feeling about this book. God is so very good. He runs after those that need Him. He never gives up. Ever. He loves us. He created us and wants us to live in the light of His love. But Cheryl doesn't believe that. All she sees is her sin. Brock is willing to be obedient to God and love Cheryl. But her secrets threaten to undo them both. And the enemy of Cheryl's soul is not willing to let go without a fight.
