The Genesis Flood 50th Anniversary Edition

Synopsis

Over fifty years ago, Henry Morris and John Whitcomb joined together to write a controversial book that sparked dialogue and debate on Darwin and Jesus, science and the Bible, evolution and creation; culminating in what would later be called the birth of the modern creation science movement. Now, fifty years, forty-nine printings, and 300,000 copies after the initial publication of *The Genesis Flood*, P&R Publishing has produced a fiftieth anniversary edition of this modern classic.
