The book is absolutely amazing. If anyone is trying to increase their knowledge on this subject, this book is a must. As a novice to this subject, (and without trying to give the enjoyment of reading the book away) I did not know that St. Bridget's writings were actually in three persons (that of Jesus, the Blessed Virgin Mary and herself). The writings are spiritually uplifting and I highly recommend you reading this. Amen.

The Revelations of St. Bridget is a very unique and inspiring book. It provides important insights into the Passion of Our Lord and the life of Mary, which insights give excellent material for meditation, and, therefore, are a help to one's spiritual development. Our Lord has told many saints that meditation on His Passion is the best way to improve one's spiritual life. The Revelations is a wonderful guide on the road to spiritual improvement.

This could be a most interesting book, except that is ,merely a short, devotional book of EXCERPTS from the original, NOT the entire "Revelations of ST. Bridget". SO if you're looking for a complete book lookk elsewhere than TAN Publications, at least, at LEAST until they start mentioning books are really excerpts from books, books are abridged etc. As it is, I now have to search for an entire copy again.

St. Bridget's revelations were amazing... The Passion can been seen through the eyes of Christ and Mary and moved me to tears. A must read and a must share. Every copy I get I pass on to someone else.

What better meditations to show our Lord's love for mankind.

This book has the 15 prayers which every catholic should say daily because of the many promises given to save the soul from the fires of both Hell and Purgatory.The book has many interesting details in the lives of Jesus and Mary which adds to what is in the gospels.Catholics should buy this book for their daily devotion.

I love this little book. Because of that reason, I look forward to one day reading, "Revelations of St. Bridget of Sweden" from which this excerpt was taken. However, this book is beautiful and I have given it to others as gifts. It is tiny in size, but it really gives one a better appreciation of Christ's passion and also His birth.

I never knew the Blessed Mother until I read this book. I was allowed to know Jesus as the son of Mary from His birth to His Crucifixion. Revelations of St. Bridget on the Life and Passion of Our Lord and the Life of His Blessed Mother .
