Expository Notes On The Prophet Isaiah (Ironside Commentary Series Book 9)

EXPOSITORY
NOTES ON THE
PROPHET ISAIAH
H. A. Ironside

Synopsis

ISAIAHâ™S âœwild measureâ• has ever been a portion of Godâ™s Holy Word in which spiritually minded believers have found much to exercise their hearts and lead out their souls in glad anticipation of the coming day when Immanuel, of whom this prophet speaks, will take His great power and reign. Longer than any other prophetic book, it contains the fullest Messianic predictions to be found in the Old Testament, testifying in no uncertain way to âœthe sufferings of Christ, and the glory that should follow.â• Of late, like all other books of the Bible, it has suffered much at the hands of unbelieving and haughty critics, who have done their best to undermine the faith of the simple in the integrity and unity of the Bible, but all that is settled for those who have faith by the Lord Jesus. When here on earth He placed the seal of his divine approval upon it in its entirety. And from this book the apostles drew again and again in their ministry after the ascension of the Saviour, all by the direct guidance of the Holy Spirit, giving it a place of unquestionable authority as the very word of Jehovah.

Customer Reviews

I was greatly informed mentally & enriched spiritually for the reading of this fine commentary. I would recommend it to anyone who would appreciate Dr. Ironsides great insight!

I enjoyed Dr. Ironsides' work on the Book of Isaiah. I would recommend it to any Bible student. Well done.

GREAT CHOICE
