## Customer Reviews

This book is an awesome book for teens. It touches on a lot of different subjects teens have to deal with. It is a great book for any teen to have.

I remember reading through this in my teens and loving it. After many years, I went back to try and find it and there it was! Same wonderful book that I remember! Love the table of contents organized by topic.

I am a High School girls bible study teacher. Recently I purchased this book for the girls so they could have something to use when they are finding life hard and in need of scripture to speak into their lives. It is wonderful. The topics are relevant to teens as well as adults. Each topic has about two pages of scriptures to choose from. I use it myself during my quiet time as well as a tool when planning the weekly lessons. Great gift idea as well.

Use it all the time!!!
