I'm back with another review And I'm luuuuuuuuuvin this manga! It's like so look addicting now Lolololooooooooo llllololololl neeeeeeed to know what happens next! Welp, see you tomorrow!

This story is, as usual, a delight to read. I feel sorry for the prank caller. She was abused by her demon father, and it messed up her social skills badly. Now, she works at a pet store (which is nice). But, she thinks it is right to snatch happiness from truly-in-love couples. Her idiot ex-boyfriend thinks it is okay for them to stay friends. Yeah...like that worked out for Elena, Stefan, and Damon in the Vampire Diaries. It works out for 1% of exs, but not for most.

I like this series not the best book in the beginning of the series but it is very interesting later on! I enjoy how the main character is portrayed and how her cousin is starting to show her nice side by protecting her from the crazy petshop lady!

I love it so much that I have to get the next book in this series! And I have to know what happens in the next book!

Poor Ayumi... Always short on luck, and a mess when it comes to her romance. But with this recent volume, that changes! For better or for worse... I can't say. But I can say that I've been waiting a long while for Vol 4., and now begins the wait for Vol 5! Keep it up!!!

The beginning was great. Ayumi admitting her love and even a kiss! Not enough Takano though. The new rival was not. I wish it was a bit clearer on who's speaking at times but I can't wait for the next! This is one of my favorite mangas!!!

if you haven't already you have to read this series!!!! it is a cute love story with a hint of comedy makes it the perfect manga for anime lovers. I bought this on my kindle and it is worth every penny!!
-VIV

I'm in love with this book. It is absolutely amazing... I read on six books, and I think they should make a second series!!!! Simple as that. Love. It.
