Esperanza Renace (Spanish Edition)

Synopsis

A Mexican "Grapes of Wrath," based on a family story, from the award-winning author of *Riding Freedom*. Esperanza Ortega tiene todos los tesoros que una chica pueda desear: hermosos vestidos, una linda casa llena de sirvientes en México, y la promesa de que un día llegará a presidir el Rancho como su mamá. Pero una tragedia inesperada destruye ese sueño, obligando a Esperanza y a su madre a escapar a California donde tendrán que trabajar en una finca junto a otros mexicanos. Allí tendrán que olvidar su pasado y enfrentarse a las nuevas realidades de su vida: trabajo duro, aceptación y dificultades económicas. Esperanza descubrirá que la verdadera riqueza está en la familia y la comunidad.

Customer Reviews

He who falls today may rise tomorrow. (Mexican Proverb, quoted from the book's opening) This powerful and realistic novel is set in 1930's. The main character, Esperanza, is a wealthy young Mexican girl that has grown up on a ranch called El Rancho de las Rosas near Aguascalientes, Mexico. She is used to the care-free life of riches and privileges, surrounded by her loving parents, Ramona and Sixto Ortega, parties, dolls, servants, and silk dresses. But everything changes when one night, a day before Esperanza's 13th Birthday, her father is killed by the bandits. Esperanza, her

mother, and Abuelita (grandmother) find themselves in a very precarious position - they cannot own the ranch without Papa, a man, a head of the family. Esperanza's evil uncles take over the land, and one of them suggests that Ramona should get married to him. When Esperanza's mother refuses the proposal, their mansion gets set on fire at night, leaving them with nothing at all. Esperanza and her mother had no choice but to leave Mexico and flee to a migrant camp of agricultural work in California, leaving behind Abuelita and their riches and privileges. Instead, experiences of loss, poverty, separation, prejudice, humiliation and fear surround Esperanza on the way to her new life. She is no longer a princess but a worker. What's even more, her mother gets very sick, and Esperanza has to work hard to pay the hospital bills. Will she manage the long hours of work and months of separation from her mother and Abuelita? Will she find a way to rise from ashes and make a new life for herself? Set against the multi-ethnic, labor-organizing era of the Depression, the story of Esperanza remaking herself is deeply touching and emotional.
