Kids Book: Sacred Tales (Moral Stories For Children Series Book 2)

Synopsis

Sacred Tales is a collection of sixty (60) ancient folklore myths and legends and short stories collections and bedtime story books for kids by all ages, told with a fresh perspective. Each story has a moral at the end. The 60 stories in the book have been around since the dawn of human civilization. These moral stories for kids were passed from generation to generation in an oral tradition that spanned thousands of years. They have since been written down, translated and have traveled the world, encompassing many languages and cultures over the millennia. These 60 stories can be read and enjoyed by all ages and all cultures. Some of the stories are popular while others are little known. These tales span heaven and earth and many have their origin in age-old tribal lore. This book is a timeless gem of fables and parables that can be enjoyed by the whole family.

The Indian Sub-Continent had some of the oldest civilizations known. It has a rich cultural heritage. The art of storytelling in the Sub-Continent is as old as time itself. Even before the human race knew how to read and write, it could tell a tale. In the beginning, these stories were passed on orally from one generation to another. Grandmothers would entertain their grandchildren with such stories while mothers would lull their children to sleep with them. Stories would be narrated at meal times to hold the children's attention so that they ate more. Whenever each person told these stories, they made some changes and thus there grew several versions. Later when humans learned to read and write, many of these stories were recorded. In India, thousands of years ago Sanskrit was the

language used to compose texts. There were also several scripted common languages. Literature in these languages grew. When Sanskrit was discovered in the western world, a whole world of fascinating stories was found. Origins of some popular western tales could also be traced back to folktales from the Sub-Continent. This book has a variety of timeless folktales from the Sub-Continent. The author is presenting the traditional stories for today's children and adults in simple and entertaining language. Some of the stories are popular while others are little known. These tales span heaven and earth and many have their origin in age-old tribal lore. This book is a timeless gem that I thoroughly enjoyed reading, and one that I recommend very highly.

My daughter and I love this book. There are plenty of stories so we can read something new each night instead of having to read the same story over and over. You know how kids are, they get attached to particular stories and then you have to read it every single night for a week. With Sacred tales she wants to hear them all so it's a nice variation for me and she really enjoys them. I particularly like that each has some moral leaning so that you can feel good about reading them to your children and that they're learning something good.

This time, Morris Fenris made a children's book, not a romance book like he usually made. The title of his book is Sacred Tales. I bought this book for my niece, who is really enjoy reading children's book. She said this one has a very amazing stories, and she loved it so much. There are moral of the stories too. That's the most important thing in my opinion. It's a highly recommended book!!

This review is for "Children's Book: "Sacred Tales: 60 Indian Moral Stories for Children" " Free Parenting Tips! (Kids Books Ages 9-12) Short Stories Collections and bedtime story books for kids by all ages, folklore myths and legends". I found this to be a great children's book for ages 5-8. Or wonderful fairy tales for teens. Definitely one of the better self-read children's ebooks with moral stories for kids, myths and legends series. Like all books with morality tales, this provides life's lessons from which we can learn a lot. It is beautifully written and reads smoothly. My children and I enjoyed the book and we would recommend it to anyone. If you're looking kids books ages 9 12, kindle books for kids 9-12, you can't go wrong with this collection.

Am pleasantly surprised at how much my children are enjoying the moral stories for kids and myths and legends series in "Children's Book: "Sacred Tales: 60 Indian Moral Stories for Children" " Free Parenting Tips! (Kids Books Ages 9-12) Short Stories Collections and bedtime story books for

kids by all ages, folklore myths and legendsâ™. According to them, it is a great eBook and the stories are very interesting and they are learning a lot about Indian fairy tales and myths and legends.

âˆChildren's Book: "Sacred Tales: 60 Indian Moral Stories for Children" âˆ Free Parenting Tips! (Kids Books Ages 9-12) Short Stories Collections and bedtime story books for kids by all ages, folklore myths and legendsâ™ is an excellent collection of short stories pulled from Ancient India, and ones that I really enjoyed. Just the right length, nicely written and compiled. An enjoyable collection of fairy tales and myths and legends for all ages.

The stories are short and sweet and aside from some difficulty pronouncing foreign names/places they are easy reads. The morals are not overly preachy and revolve around using kindness, intelligence, and hard work to make difficult situations work out.

This book is the door to opening a child's imagination. When I read this book it was so exciting. It really was just a great time to be reading this book. It is the key to success in a child's life. It has humor, lessons, morals, and a lot more. This is a great way to get children to love books. It is also good for teachers and parents. Hope you LOVE it!!!!!!!!!!!!!! #sacred tales!!!!!!!!!!!!!!
