Wherever You Are: My Love Will Find You

Synopsis

. . . I wanted you more than you'll ever know, so I sent love to follow wherever you go. . . Love is the greatest gift we have to give our children. It's the one thing they can carry with them each and every day. If love could take shape it might look something like these heartfelt words and images from the inimitable Nancy Tillman. Here is a book to share with your loved ones, no matter how near or far, young or old, they are.

Customer Reviews

Nancy Tillman's wonderful *On the Night You Were Born* is one of my very favorite books. Its celebration of the uniqueness of each and every child told in lyrical language [For never before in story or rhyme (not even once upon a time) has the world ever known a you, my friend, and it never will, not ever again...] make it the gift I choose most often for expectant or adoptive parents. I also read it regularly with my grandchildren and talk with them about how special they are. Tillman feels that the most important message for children to receive is simply, "You are loved." And it's that message that is the focus of this, her newest book, *Wherever You Are: My Love Will Find You*. Once again, it is her turn of phrase that most captivates me: In the green of the grass...in the smell of the sea...in the clouds floating by...at the top of a tree...in the sound crickets make at the end of the day... "You are loved. You are loved. You are loved," they all say./// Phrases encourage children

to grow, to try new things, to "march to the front" of their "own parade" and assures them that, no matter how far they go or what they do, they will be loved. Though the words alone would convince me to buy, share and recommend this book, Tillman is also a gifted artist and her lovely work makes this book a visual treasure as well.
