# The Apocrypha: The Complete Deuterocanonical Texts Of The King James Bible (Illustrated)

## Synopsis

The word apocryphal was first applied to writings which were kept secret because they were the vehicles of esoteric knowledge considered too profound or too sacred to be disclosed to anyone other than the initiated. All King James Bibles published before 1666 included the Apocrypha. Many reprintings of older versions of the Bible now omit the apocrypha and many newer translations and revisions have never included them at all. This is the complete Christian Apocrypha as it appeared in pre-1666 KJ Bibles: 1 Esdras 2 Esdras Additions to Esther 1 Maccabees 2

Maccabees Tobias Judith Wisdom Sirach Baruch Epistle of Jeremiah Susanna Prayer of Azariah Prayer of Manasseh Bel and the Dragon Laodiceans This new digital presentation of the KJV Apocrypha includes touch navigation and a dynamic, organized format with Book List, Chapter List and JumpToVerse. The text has been reformatted to accommodate larger font options. There are indexed verses and chapters, interactive Table of Contents for each book and expanded Chapter Links for easy access. There are also links to free audio recordings of select books as well as an image gallery showcasing art inspired by 1 and 2 Maccabees and the Book of Judith.

## Customer Reviews

This is exactly the book I wanted. Love it!

Great price! Easy to read and navigate.

These books are for those who want to explore the Old Testament in more detail. I became interested in them because they were included in the 1611 version of the King James Bible. I consider Tobias/Tobit, the Prayer of Azariah, the Prayer of Manasseh, and Laodiceans required reading. The Macabees introduce the Bible student to Hasmonean rulers who set the stage for the generation that rejected Christ.

When the Geneva and King James Bibles were first translated, these books were included. When the Puritans came to America, they came armed with these books in their Bibles. In fact, these books have spent more years in the King James than they have spent out of it! But more than that, I have tested them with the Word of God contained in the 66 more familiar books, and I have not found a contradiction. The original meaning of the word apocrypha is "hidden", though some now use the word to mean something of questionable value. Why not read the books and see for yourself? All of God's word is able to stand on its own and needs no defense from me, and anyone without these books merely deprives himself. They are not dangerous. Taste and see that it is good.

A+++++

This enhanced edition of the Apocrypha really brings the words to life. I had never appreciated the wisdom in these books. The history is amazing. This edition includes stunning images that are quite breath-taking. The detail in this presentation is much appreciated. I was blown away by the search function. I hope to see more enhanced editions of other books. A real bargain at the current Kindle price.

This book is printed in service to God! It is exactly what I wanted.. no fluff and nothing extra, just the Old Testament apocrypha, simply preserved for anyone who wants to read these ancient, historical books. Plus super fast shipping! The book was literally in my hands less than 24 hours after ordering.

I've noticed a few different books of the Apocrypha where they did not have all the same books. This had all the books I was looking for.
