Be Still (Sit For A Bit)

Synopsis

With a repetitive, rhythmic introduction of Psalm 46:10 (Be still, and know that I am God!), Be Still turns Bible memorization from a duty to a delight for children, using the author's unique teaching strategy. This purposeful presentation of Scripture will help children memorize, understand, and absorb passages as the author presents this powerful verse one word at a time, teaching the meaning of each individual word before presenting the entire passage. Be Still builds a meaningful connection between God's Word and a child's life experiences, laying a foundation for a love and comprehension of Scripture. Parents and children will enjoy interacting together over the passage.

Customer Reviews

LOVE this book. Beautiful to look at on the outside with a beautiful message on the inside.

Illustrations engage little ones and help convey this simple yet powerful message...Be still and know that I am God. This book will start as a book you will read to your children, and as they grow it will become a favorite for them as an emergent reader.

As a retired Preschool teacher and Director in a Christian preschool, I'm delighted to recommend Kathryn O'Brien's new book series. Along with blitheful illustration, Bible verses

are instantly brought to life for little ones. How rewarding it is to introduce children to Godâ€™s Word in this easy, meaningful, and fun way.

Happy to recommend the Sit for a Bit series by Kathryn O'Brien. What a creative way to share a positive message! Fun illustrations and appealing text will keep little ones engaged, while a repetitive pattern builds reading skills. Bravo, another favorite.
