Recovering Redemption - Member Book

Synopsis

Recovering Redemption Bible Study guides you through the video teaching sessions from the Recovering Redemption Leader Kit and reinforces the powerful truths in Chandler's teaching. It also provides additional study and reflection on the three most significant parts of each session, helping you to internalize and apply these truths to your life. All of us have a sense of dissatisfaction. And we typically look for solutions in four areas: self, others, the world, and religion. But none of these will satisfy. Recovering Redemption is about recovering what is lost and broken—our relationship with Jesus—because the gospel is the remedy to fix all things: every struggle, every circumstance, every relationship, everything. In this 12-session study, Matt Chandler explains the implications of the gospel with surprising clarity and striking candor. Those who have been Christ followers for years will find that it helps connect the dots of their faith, serving as a bridge between salvation and maturity. It's also an essential study for new believers. Features: Video-driven Bible study 12 group sessions Personal Bible study Benefits: Understand your redemption from sin and suffering Learn the truths of the gospel and how they transform Get traction in areas where you feel frustrated or stagnant in your relationship with the Lord Enhance your relationship with God and others Author: Matt Chandler serves as Lead Pastor of Teaching at The Village Church in the Dallas/Fort Worth metroplex. He came to The Village in December 2002 and describes his tenure as a replanting effort where he was involved in changing the theological and philosophical culture of the congregation. The church has witnessed a tremendous response growing from 160 people to over 11,000 with campuses in Flower Mound, Dallas, Denton, and Fort Worth.

God has provided redemption for us but in the sin and suffering of life we are forgetful and run after so many things. Chandler reminds us what we were made for and that the road back may be long but freedom is always worth the journey!

Matt Chandler is phenomenal. This is an excellent bible-based lesson that hits you where it counts and provides a easily understood and very convicting look at the transformation that comes from accepting Christ and receiving God's grace.

Matt Chandler's Recovering Redemption is absolutely fantastic. He walks through the issues in a great, understandable yet deep level. If you struggle with the thought that you're not good enough, or that you are good enough and therefore don't need God, this bible study is for you!

Was using someone else's copy initially and decided to get NY own. Good resourceful book for mentors, teachers, counselors.

This is a fantastic study. The video sermons can be found free on YouTube and they are just great. You will love it.
