Black Panther: A Nation Under Our Feet Vol. 1 (Black Panther (2016-))

Synopsis

Collects Black Panther (2016) #1-4, Fantastic Four (1961) #52. A new era begins for the Black Panther! MacArthur Genius and National Book Award-winning writer Ta-Nehisi Coates (Between the World and Me) takes the helm, confronting T'Challa with a dramatic upheaval in Wakanda that will make leading the African nation tougher than ever before. When a superhuman terrorist group calling itself The People sparks a violent uprising, the land famed for its incredible technology and proud warrior traditions will be thrown into turmoil. As suicide bombers terrorize the population, T'Challa struggles to unite his citizens, and a familiar villain steps out of the shadows. If Wakanda is to survive, it must adapt — but can its monarch, one in a long line of Black Panthers, survive the necessary change? Heavy lies the head that wears the cowl!

Customer Reviews

Ever since this year's release of *Captain America: Civil War*, we finally got to see the first introduction of the Black Panther in the Marvel Cinematic Universe. Fans were impressed with his badass prowess on screen and has his own film coming out some time in 2017. I've been reading the fabulous Black Panther run from Christopher Priest for the character, so I had high

hopes for the character and it also it means a new solo comic series and written by Ta-Nehisi Coates, a current writer/journalist in the field of politics that make for a perfect choice with veteran artist Brian Stelfreeze. While I think this is a promising creative team and opening book, I feel it still needs time to improve. BLACK PANTHER VOLUME 1: A NATION UNDER OUR FEET BOOK 1 collects issues #1-4 and Black Panther's first appearance in FANTASTIC FOUR #52. The people of Wakanda are restless. They've been stirred up by a group called The People and some of them have become dangerous due to the upheavals across the land, which Black Panther tries to quell the uprising but it blows up in his face. Meanwhile one of the Black Panther's Dora Milaje (his personal/elite guards) is sentenced to death for doing the right thing because of growing corruption in Wakanda. Her fellow Dora Milaje and lover will not allow her to be killed and steals experimental armor to free her. Too many factors are pulling Panther apart for him to focus on restoring Wakanda. Desperate times call for desperate measures. Writer and journalist Ta-Nehisi Coates is a current writer for good reason as to give a more political savvy to match the characters backgrounds and gives a whole new audience for those geared in his writing, those who like/want to know more about Black Panther, or both.
