## Customer Reviews

Love the Ettie Smith mysteries. I not only love the Ettie Smith Amish Mysteries but the Amish Widows Mystery series with Ettie. The Amish Baby Mystery is such a fun read with the interaction of Ettie, Elsa May, Crowley and the other characters. It was nice to see a mention of Myra and

Crowley's relationship and what happened to that story. I hope Ms Price keeps the Ettie Smith series alive.

Another Ettie Smith Amish Mystery book was great. These two Amish ladies are very gutsy and at times quite funny along with their friend a retired detective. Enjoyable with a few twist and turns. Enjoy! GAB

I love Amish books but never have I read mysteries until I read Ettie Smith. I've enjoyed every book so far in this whole series.

If you enjoy reading Amish life stories. Then you will definitely enjoy reading Samantha Price's books. Her books always have interesting and unique story lines. The characters will feel real to you. Almost like you know them personally. My favorite story lines are Ettie and Elsa-May the super sleuths. Trouble always seem to seek them. Samantha is certain to include the love of God, family and right living.

Samantha Price really knows how to draw a reader in and keep them hooked. The two elderly Amish sisters are great characters. I love that they sometimes fuss amongst themselves while solving the crime. Speaking of crimes they seem to land smack dab in the middle of some very interesting ones that aren't always so easy to solve. Truly a great mystery series.

Another great mystery which kept my interest. Loved it!

Another great book by Samantha Price. Ettie and Elsa-May are two very gutsy "old ladies." As they have said, they don't find trouble, trouble finds them.

I really enjoyed this book from beginning to end. I would recommend this book to all my Family and friends!
