# The Children's Bible In 365 Stories

## Synopsis

With more than a million copies sold, this classic Scripture provides an ageless Bible story for every day of the year. It's a perfect addition to any Sunday school room or children's church program. "An imaginative arrangement, preserving the on-going interest of a serial . . . The illustrations are excellent . . . and will hold the listener's eye if the book is being read aloud . . . This selection provides a built-in continuity which other collections lack."#151;Church Times "Written in a lively, easily understood style which still retains the dignity of the original . . . The luminous artwork is realistic, expressive and well-researched in detail."#151;School Library Journal "Many children's books retell Bible stories. This is one of the best for its factual, sensitive and imaginative approach. The stories are allowed to speak for themselves in a panorama of scripture from Genesis to Revelation, and each is beautifully and imaginatively illustrated. [Here is] storytelling par excellence, clear, uncomplicated, concise, superlative."#151;Churchman "The selections are just the right length . . . After using this book for several months, I can enthusiastically recommend it for families with young children."#151;Christian Home and School

My sons have outgrown their story Bibles (The Beginner's Bible The Beginner's Bible: Timeless Children's Stories and On-My-Own Reader Bible On-My-Own Reader Bible (New Living Translation Bible Story Series) and The Young Reader's Bible The Young Readers Bible: 70 Easy to Read

Bible Stories ). I tried the Day by Day Kid's Bible (Day by Day Kid's Bible: The Bible for Young Readers (Tyndale Kids)), which I like a lot, but it just seemed like a little much for the 5-8 year old crowd. I was looking for something more mature than the Beginner's Bible, but less mature than the Day by Day. In that regard this book is a success. I think it is the perfect level for my kids to understand if I read it to them (though some kids at this age would have trouble reading it independently. I would say Read-Aloud level K+, independent reading level 3+). However, the problem is that I feel like the author took just a tad too much artistic license in her prose. I found myself reading it with a stack of other Bibles on hand (KJV, NKJV, NIV, NASB, etc.), comparing the stories to the scripture and thinking with a cringe, "I'm not sure about that."
