Hot Dog Taste Test

Synopsis

The new book from the James Beard Award-winning cartoonist and designer/producer of Netflix's *Bojack Horseman* "Frankly speaking, you should get off your buns and go buy this book • you'll relish it." •Amy Sedaris "Hot Dog Taste Test roasts food obsession in its many forms with a sometimes gross, sometimes charming collection of watercolors, sketches and comics." •Lucy Feldman, *Wall Street Journal* "[Hot Dog Taste Test is] hilarious and at times breathtakingly inventive." •Graeme Macmillan, *Wired* "Hanawalt's art balances the somber and the playful... [and her] hybrids make use of the estrangement between human and animal." •Chris Randle, *The Guardian* Hot Dog Taste Test serves up Lisa Hanawalt's devastatingly funny comics, saliva-stimulating art, and deliciously screwball lists as she skewers the pomposities of foodie subculture. From the James Beard Award-winning cartoonist and production designer/producer of *Bojack Horseman*, Hot Dog Taste Test dishes out five-star laughs as Hanawalt keenly muses on pop culture, relationships, and the animal in all of us.

Book Information

Hardcover: 176 pages

Customer Reviews

I'm so glad I pre-ordered it, so it showed up on my door the day it was released and I didn't have to wait for the library to get it. It's not quite as great as *My Dirty Dumb Eyes* (which causes me to lose my mind with glee every time I read it), but it's still so much fun! I especially love her piece about shadowing Wylie Dufresne and all the *Tuca* comics. And the fantastic ceramic things she made!! I've seen a bunch of those on her Instagram, but it's amazing to see all of them together. Lisa Hanawalt is a genius and I will buy any book she writes ad infinitum.

Every bit as wonderful as My Dumb Dirty Eyes. Two double fistful hot dog thumbs up!

I seriously loved this book! I'd compare it a bit to Lucy Knisley, which is by all means a high compliment - but this is far more out-there and zany, and extremely hilarious too. I'd give it six stars if I could.

Lisa Hanawalt is a genius and anyone who says otherwise is a fool. Another wonderful book to add to my coffee table and bring to the beach. Love every single page!
